

HORSHAM ARTISTS OPEN STUDIOS 2012

JUNE 16/17 23/24 WEEKENDS

10AM-5PM

WELCOME TO HORSHAM ARTISTS OPEN STUDIOS

Our annual event is held over two weekends in June when we have a huge variety of artists opening their workspaces to the public. In this brochure you will find details of venues in central Horsham and the surrounding villages and skills from painters, sculptors, glass artists, ceramicists, jewellers, woodturners and many more. All are welcoming you to view and discuss their work.

Last year was very successful both in terms of visitors and artworks sold despite the economic downturn. This was a great achievement and we appreciate the support that local people have given to creativity in this area and demonstrates the wealth of talent that is in this part of West Sussex.

Do take the time to visit both returning artists and newcomers.

Horsham Artists Open Studios welcomes both experienced artists and those new to the profession.

We are run by a group of enthusiastic, self-funded artists who give their time generously to bring this annual event to the Horsham area.

How to use this brochure

Each number is a studio location on the map. This number is alongside the artist's name. Some venues are exhibiting more than one artist. Directions are given under the artist's listing and directional signs will be erected on the day to help you find us. Please telephone the artist if you have any queries. Thank you for picking up one of our brochures and we look forward to welcoming you.

LOCAL ARTISTS ARE HARD AT WORK THROUGHOUT THE YEAR

When the wind is whistling and the cold curls your toes, Horsham artists can be found in garden sheds and spare rooms absorbed in their favourite activity.

Come June they emerge like butterflies, eager to share their work with other artists and with you. Throughout the year we exhibit work at joint or solo exhibitions, art fairs and in public spaces. We complete commissions and produce work to show at the annual Open Studio event. Your support for their efforts is much appreciated.

Some of the artists taking part are full-time professionals whilst others create in their spare time. All are welcome for the enthusiasm they bring to the arts in Horsham and district.
